MIDLIFE YOGA POSES:

I dropped my keys  
and can't get up

When did I get  
flabby elbows?

Ready for my  
mammogram

Trying to scrape off chin  
hairs with the floor

My spine compressed,  
so I can't reach things

I now have bat wings--  
ready for takeoff

I pray no one can  
see I peed a little

Finally...a nap
