## A Test for Morons

- 1 Is there a 4th of July in England?
- 2 How many birthdays does the average man have?
- 3 Some months have 31 days. How many have 28?
- 4 Can a man in California marry his widow's sister?
- 5 There are three apples and you take two away. How many apples are you left with?
- 6 A doctor gives you three pills and tells you to take one every half an hour. How long will the pills last?
- 7 A farmer has 17 sheep. All but 9 of them die. How many sheep are left?
- 8 How many animals of each sex did Moses have on the ark?
